IMPORTANT NOTES

Grades of Walks (These grades are for guidance only and participants should be aware of their own capabilities.) If you are unsure, ask the leader at the start of the walk.

- **EASY** – generally flat walks on well surfaced paths/tracks/lanes with very few stiles
- **MODERATE** – walks with some gentle climbs/descents on distinct paths with several stiles
- **MODERATE STRENUOUS** – walks with one steep ascent and descent and possibly a short section of rough / indistinct path
- **STRENUOUS** – walks with several steep climbs and descents partly on rough boggy ground with stream crossings without bridges

If you have not walked previously or for several years please start with easier, shorter walks and build-up to longer, more strenuous walks.

Train Tips:

Save 1/3rd on all your trips on the Leeds - Settle Carlisle and Leeds - Lancaster - Morecambe lines with a Dales Railcard AND get some great winter offers.

The DalesRailcard is available to all residents along the line and ALL FoSCL Members irrespective of where you live. See www.foscl.org.uk for full details.

If your walk is between stations it is normally cheaper to buy a return to the FURTHEST station. Off peak Day Returns are valid at all times on Saturdays and Sundays and after 0930 on weekdays. Remember that break of journey is allowed so you can stop off on the way back for a drink or meal or catch an earlier morning train and have breakfast en route. Settle and Skipton have several eateries and there are pubs within 5 minutes walk of Ribbleshead and Horton stations.

If you are travelling from further afield than Leeds please check to see if "split-ticketing" is cheaper than the through fare but remember that the trains that you use MUST stop at the station where you split the tickets.

IMPORTANT NOTES Continued:

Walking in the Dales can involve crossing rough terrain with steep slopes and in inclement weather. All participants on these guided walks are asked to be aware of this and accept the following conditions:

- NO DOGS except Registered Assistance Dogs.
- Young people under 18 and vulnerable adults must be accompanied at all times by a responsible adult/carer.
- Walkers safety is their own responsibility.
- No liability or claim can be accepted by the Friends of the Settle Carlisle Line or its Officers, Committee Members or Walk Leaders; The Settle-Carlisle Railway Development Company or the Leeds - Lancaster - Morecambe Community Rail Partnership for any loss, damage, accident or personal injury however caused on these walks.
- Participants are NOT covered by any of the above bodies for Personal Injury or Accident whilst on these walks.
- Walk leaders will be entitled to refuse participation on a walk if the leader judges that the person concerned is not fit or adequately clothed or equipped, or on health grounds, for the walk and prevailing conditions.
- Walk leaders reserve the right to vary or cancel the walk without notice if weather conditions or train operations so dictate. Wherever possible an update will be placed on the FoSCL website which participants should check before they commence their journey.
- The Walk Leaders decision shall be final.
- Please bring adequate food and drink; waterproofs and spare dry warm clothing; walking boots or strong shoes for shorter summer walks.
- Walkers are requested to remain with the party and to accept the pace set by the Leader which will take into account the distance, terrain, weather and time available.
- Return times are given in good faith but cannot be guaranteed.
- Most walks are offered on a "turn up and go" basis. The walk will not commence until the train from Leeds has arrived. For walks requiring booking (usually because use will be made of a minibus), bookings should normally be made by 19.00 hours the previous day.

Travel Notes: Most walks are timed to use the 0919 train from Leeds to Carlisle (0859 on Sundays). However, some walks use the earlier (0748 from Leeds) or later (1049 from Leeds) trains or trains from Leeds - Lancaster (Bentham Line).

PLEASE CHECK TRAIN TIMES CAREFULLY

Return trains are shown for GUIDANCE only - these may be varied on the day by the Walk Leaders due to prevailing or forecast weather conditions or the pace of the group. You are strongly advised NOT to purchase Advance Tickets for specific timed trains.

Changes or cancellations to these walks will be notified on the FoSCL website www.foscl.org.uk Walks may be cancelled due to train disruptions or adverse weather conditions and if a walk is cancelled or amended the website will provide full details - leaders will not go to the start of cancelled walks.

There are no walks specifically from Carlisle - Leeds trains due to a lack of volunteer leaders in the Carlisle area. However, some walks are accessible by train from Carlisle with a short wait for the train from Leeds and details of these will be posted on the website. We regret that if the train from Carlisle is delayed the walk will start upon the arrival of the train from Leeds.

All train times correct at time of printing. Please check current timetable for alterations. Please note: Walks may be cancelled if engineering work or other disruption leads to altered timetables. Check the FoSCL web site for details. For enquiries about the walks please email walksinfo@settle-carlisle.com
